

*Merry Christmas*

## Best Message. Delivered Personally!

Whenever God does something, He uses words! The world, for instance, was created and still is sustained by the Word of God!

When God foresaw the misery of sin, He decided, before the foundation of the world, to send the Word, and “the Word became flesh and made his dwelling among us” (Jn 1:14). The Eternal entered time! The Supernatural entered the natural! God became flesh to solve the sin problem of humanity. The incarnation was and still is the greatest miracle and the reason for the season.

While “the law was given through Moses; grace and truth came through Jesus Christ” (Jn 1:17).

Jesus, the Word, came into our existence and delivered the greatest message, the Gospel, personally and personified! What love, what amazing grace!

Our ministry follows the footsteps of Jesus – personally, delivering the glorious Gospel message in the power of the Holy Spirit! Thank you for your much appreciated support through your prayers and donations.

Together we are reaching the world with the full Gospel!

Merry Christmas!
